Circular

This is to inform you all that as per the "Advisory for managing Health Care Workers, working in COVID & Non-COVID areas of the Hospital" issued by MoHFW dated 18th June 2020 the following decisions will be followed by AIIMS Raipur with immediate effect :

1. The 14- day quarantine facility will be applicable only for High Risk exposure of Health care workers as defined in AIIMS Raipur quarantine policy.
2. The Health care workers with High Risk exposure/Suspected exposure should immediately report to the Incharge of the particular Covid area. Once High Risk exposure is established by the Area-In-charge, the HCW would immediately proceed for facility quarantine.
3. When quarantine is given, 7th day testing policy will be followed with full 14-days quarantine. The Health Care Workers will be monitored every day for signs and symptoms of covid infection and in case of appearance of symptoms, should be tested immediately for COVID.
4. All Health Care Workers after Covid duty, irrespective of the nature of duty, without High risk exposure, would be given 5 days duty off. All are advised to self monitor themselves for any possible signs and symptoms of COVID-19.
5. No COVID testing is required for Low Risk exposure Health Care Workers. However in presence of symptoms, immediate COVID testing is recommended.
6. During duty period in COVID area, it is preferable to avail institutional accommodations facility in AIIMS but with self declaration a health Care Worker can continue working from home with adherence of proper safety measures.

This is issued with the approval Director AIIMS Raipur.

Enclosure: Quarantine policy.
